Champions Coach

Employment Type: Part-Time

Position Summary:

This position provides fun, engaging, and age-appropriate sports instruction for children ages 2–10 in our Champions Sports Programs. Coaches introduce the fundamentals of soccer, baseball, and/or flag football while creating a positive environment that encourages skill development, confidence, teamwork, sportsmanship, and an active lifestyle. The ideal candidate isn't afraid to be silly, energetic, encouraging, and comfortable leading groups of young children while balancing structured instruction with fun and engaging activities.

Key Responsibilities:

- Lead organized, age-appropriate classes that teach sports fundamentals through engaging games and activities.
- Follow established Champions Program curriculum while introducing your own activities to keep classes fun and engaging.
- Provide clear instruction and demonstrations based on the age, ability, and skill level of participants.
- Establish consistent routines and use positive behavior management techniques to keep children engaged and participating.
- Adapt activities and instruction to accommodate different ages, abilities, and skill levels.
- Encourage teamwork, confidence, sportsmanship, and a positive attitude toward physical activity.
- Maintain a fun, welcoming, inclusive, and safe environment for all participants.
- Set up, use, and properly put away sports equipment before and after classes.
- Arrive on time and prepared for all scheduled classes and maintain reliable attendance.
- Communicate professionally and positively with parents, participants, coaches, and program leadership.

Skills & Qualifications:

- Coursework or a degree in Early Childhood Education, Physical Education, Education, or a related sports or teaching field is preferred.
- Must be at least 18 years of age with previous experience working with children through coaching, teaching, childcare, camps, recreation programs, or a similar setting preferred.
- Energetic, patient, dependable, and comfortable leading groups of young children.
- Ability to confidently project instructions and maintain the attention of participants.
- Familiarity with soccer, baseball, and/or flag football and a willingness to learn.

Training Requirements:

- New coaches will complete paid shadowing and training alongside an experienced Champions Coach.
- Coaches must successfully complete a practical coaching evaluation before independently leading classes.

Schedule Requirements

- Must be available for scheduled Champions classes and programs

- Schedule may include evenings and weekends based on program needs.
- Reliable and consistent attendance is required.
- Additional hours may be available through camp days and facility events. Coaches may also propose and lead their own camps and clinics.
